

## Equipment list

### Intermediate efficiency boilers (85% +)

**IMPORTANT:** In order to qualify for this grant, you must contractually commit with Énergir or an Énergir Authorized Partner prior to your appliances' installation. The total grant amount must not exceed admissible expenses. Some restrictions apply. The conditions of the program and the amount of the grants are subject to change without notice.

**NOTE:** The first part of the list presents the hot water boilers and the second part presents the steam boilers.
